

NURSE. FIGHTER. BOY

DISCUSSION GUIDE

1. Discuss the role of magic in this film. What do you think Jude meant when she told Ciel that magic is everywhere?
2. In an interview, writer/director Charles Officer said, "It doesn't make sense to me that there is so much violence, murder and mayhem cultivated on this planet, while millions of children look on." What does **NURSE.FIGHTER.BOY** teach us about our responsibility to the youth of today?
3. Discuss the use of music in the film. What do the music choices tell us about the characters, their community and their emotions?
4. Each of the three characters is deeply affected by a death. What do they learn about dealing with the loss of a loved one?
5. Describe the look of the film: the colors, the textures, the lighting, etc. Do you notice a difference in the color palette used for each character?
